SEVERE KIDNEY
AND
BLADDER TROUBLE.

News in Nebraska

HALF OUR ILLS ARE CATARRH.

Thousands of People Have Kidney Trouble and Don't Know It Is Catarrh.

Mr. David L. Jaycox, Chaplain Clarinda, I. O. G. T., and Chaplain G. A. R., 865 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble. I spent hundreds of dollars and consulted a host of doctors, but neither did me any good.

"Peruna has proven the best medicine I ever used. My pains are gone and I believe myself to be cured. I feel well and would not be without a bottle in time of need for ten times its cost."

Hundreds of war veterans have kidney and bladder trouble.

Impure drinking water, sleeping on the ground, and all manner of exposures to wet and cold weather produced catarrh of the kidneys and bladder.

They have doctored with every conceivable drug, have consulted all schools of medicine. It was not until Peruna came into use, however, that these old soldiers found a remedy that would actually cure them.

"Cases of catarrh of kidneys and bladder have been cured by Peruna than all other medicines combined.

William F. Porter, ex-secretary of state, has filed a brief in the supreme court protesting against the action brought to compel him to pay a trifle more than \$4,000 into the state treasury. Treating Wrong Disease.

Many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality they are all only symptoms caused by some womb disease. The physician, ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented when necessary by medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure. The genuineness of these cures is attested not only by the entire disappearance of pain, but by a gain of flesh, a clear complexion and a cheerful disposition.

A SCIENTIFIC MEDICINE.—Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and carefully physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. It contains no alcohol, opium, digitalis or other injurious ingredient.

Dr. R. V. France, Buffalo, N. Y.: "I am Dr. R. V. France, Buffalo, N. Y. I was very low, and our home physician said I would never be well until I went to the hospital. Knowing what I did of your medicine I concluded to try it and felt sure it would cure me. I took it for Dr. Pierce's medicine. I began keeping house the 11th day of April and was just able to crawl about in three weeks. I could do all my own work, laundry and all. I have taken six bottles of Dr. Pierce's medicine and feel real good, but am not going to stop until I am sure I am cured. I tell all my lady friends about Dr. Pierce's wonderful medicine. They all say, 'how good you are looking Mrs. Taylor,' and I answer it is all due to Dr. Pierce's Favorite Prescription."

Thanking you once more for your kindness, I remain, Yours truly, Mrs. E. C. TAYLOR, Spring Arbor, Mass. Box 91.

An honest dealer will not urge a substitute in place of "Favorite Prescription." There is nothing in the world "just as good," although avaricious druggists will sometimes say so for the sake of the greater profit to be made upon the inferior article. Shun all such.

Every wise and careful housewife recognizes the value of a good home medical book. Dr. Pierce's Common Sense Medical Adviser is that kind of a book and the best of its kind. It used to sell for \$1.50 per copy. Now a big edition is being given away—FREE. For paper-covered copy, send 21 one-cent stamps, to cover mailing only. French cloth binding ten cents extra. Address Dr. R. V. Pierce, Buffalo, N. Y.

ASSIST NATURE. A little now and then, with a gentle laxative, or, if need be, with a more searching and cleansing, yet gentle cathartic, to remove offending matter from the stomach and bowels, to tone up and invigorate the liver and quicken its tardy action, and you thereby avoid a multitude of derangements and diseases.

Of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled. Once used they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from habitual constipation, piles and their attendant discomfort and manifold derangements.

In all cases of biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, sour stomach, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels.
